

## The Back Page...

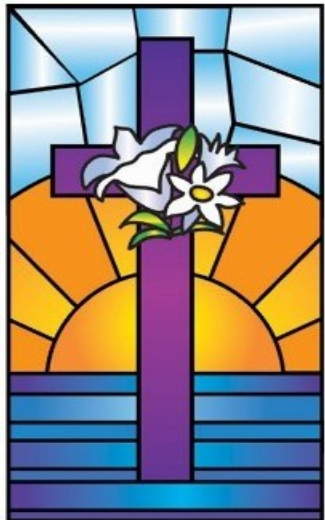

Many thanks to those of you who came to the prayer events before Christmas. I have read all the comments and prayers that were contributed and have put them into a “word cloud” format which shows visually the most used words in a piece of text. As you can see, there were a lot of different words used and some obvious ones stand out. There is still some work to be done on how we use what was shared as we move forward.

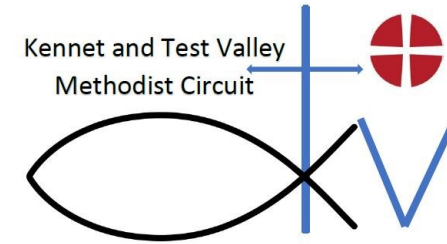

This quarter we move into the season of Lent and there will be local arrangements happening in most areas, either through Churches Together, material that has been produced nationally or locally or resources you may have yourselves. I shall be gathering material together for use at home during this period which can be shared as widely as you wish. My prayer is that we can make the journey together through Lent towards the cross and then experience a

heightened sense of joy and hope as we come on Easter Day to celebrate our Saviour's resurrection.

I will be away from my Circuit duties on sabbatical leave from May 30th until September 1st. During this period, the Revd Peter Bennett will be acting Superintendent and Martin Borgars will continue to staff the Circuit Office. Martin will be taking some leave in July and August but will send out separate arrangements for cover during that period.

*Rachel.*
